Hi Matthew,

I believe there was one a few months back and it was related to narcotics. An individual walked up and shot someone that was sleeping in a tent. I am pretty sure this was the location but I can reach out to Sergeant Case to verify.

Take Care,

Hi Lyndi,

I understand that LAHSA HOPE unit conducts outreach before the city services the encampments through CSLA program. I wanted to speak about LAHSA's outreach effort at Plummer and the 405 fwy (nearest intersection is Plummer st and Orion Ave). Would you be able to give me a call at your earliest convenience: 818-756-8409.

More specifically, would you be able to provide certain numbers:

- \* how many individuals have been engaged since June 18'?
- \* how many have been connected to the CES since June 18'?
- \* how many have been accepted services since June 18'??
- \* How many have transitioned to some type of housing since June 18'?

Recently, there was a homicide at this location. This encampment is an increasing public safety concern for the community and to our office. Your insight would be greatly appreciated. I hope to speak with you soon.
